

Around the World in 8 Dates

Switzerland

Home of the Alps, luxury watches, and both winter and summer sports. Find a fun fondue restaurant and spend a date dipping all your favorites foods into hot oil, cheese, and chocolate. In the parking lot, yodel a sweet shout-out to your spouse!

During your meal, answer the following questions:

World champion tennis player Roger Federer is Swiss. In tennis, love = 0. What's one thing you and your spouse could do this year to make your love a perfect 10?

Would you rather be on time for the rest of your life, have more time to get things done, or not have to worry about time at all?

The Swiss Alps rise to over 15,000 feet in some places. Name the top three high points so far in your marriage.

After the meal, go for a walk on a favorite trail or hike a local mountain. Take a picture of yourselves from the highest point you can find to remember the high points of your life together.

Around the World in 8 Dates

Switzerland

Discuss the following:

Geneva is the birthplace of the Red Cross. Discuss something that your spouse said or did at some point in your marriage that provided healing for you or your marriage.

Many Nobel prizes were awarded to Swiss scientists. For example, Albert Einstein who developed his theory of “relativity”. How well is everyone relating in your marriage and family?

Switzerland is the birthplace of the World Wide Web. In what ways can you use the internet/technology to support a healthy marriage? Discuss the ways the internet/technology can be a threat to your marriage.

The Swiss invented solid milk chocolate in 1875, and are the world’s largest consumers of chocolate. Take your sweetie to a nearby store, split up and buy a piece of chocolate that most reminds you of him or her. As you feed it to them, explain why you chose this treat.
